

PLANT HEALTH 2022

The Second National Symposium of Plant Health 2022, organized by the Sri Lanka Association for Mycology and Plant Pathology (SLAMPP), is scheduled for 24th June 2022.

Venue - Postgraduate Institute of Science, University of Peradeniya.

Abstract Guidelines

Content of the Abstract

The Abstract should have a maximum of 400 words (B5 paper size) including the Title and the names and affiliation of authors. The downloadable format (below) must be strictly followed for final submission of the Abstract.

Download the Abstract Template [here](#).

Title: Use Times New Roman, Font Size 12, Bold. A line space should be left between the Title and the Author details.

Name/s and Affiliation/s of Authors

Use Times New Roman, Font Size 11

Surname of the Author should be followed by the Name/s and/or initials. Author/s' name should be in lower case letters except for initials and the first letter of the surname/s. Author affiliations should be written in the next line leaving one line space.

Name(s) of all co-author(s) should be centered and separated by comma. The name of the presenter should be underlined and the corresponding author should be indicated by an asterisk (*).

The author name(s) and affiliation(s) should be numbered using superscripts. The number should be placed on **top-right** for name(s) and **top-left** for affiliation(s).

Abstract Text

The text of the abstract should start leaving one line space after the author affiliations.

Only the first letter of first word should be in capital other than nouns and codes. Scientific names of organisms should be in italics. If common or vernacular names follow the scientific name, they should be included in parentheses. Final text should be justified.

Font: Times New Roman, Size: 11

Paper Size: B5

Margins: All round 2.0 cm

Text: Justified

Line Spacing: Single

Spacing: Before and after 0

Spellings: British

Non-English and Technical Terms: Must be in *italics*

Abbreviations could be used but they should be clearly explained prior to use.

Keywords

Keywords should be included for Indexing Purposes.

Use Times New Roman, Font Size 11. Keywords must be Left aligned

Include 3-5 keywords only at the end of the abstract leaving two line spaces between the text and keywords Use words other than those in the title that can better reflect the content. Each keyword should begin with an uppercase letter and it should be separated by commas and followed by a single space.

Acknowledgement

One line space should be left between the Keywords and the Acknowledgement.

Font: Times New Roman, Font size 10 and left aligned

Sources of funding may be included in the Acknowledgement or separately after the text.

Abstract submission instructions through CMT will be available soon.

Please mention your preference of Oral or Poster Presentations when you submit the Abstract/s.

Allocations of Abstracts for Oral Presentations could be limited. Therefore all abstract that are accepted will not be assigned Oral Presentations. The remainder will be assigned to virtual poster sessions.

Selected papers expected to be published in a Special Volume of Ceylon Journal of Science (CJS).
